SPECIAL AMENITIES

Wyndham Metrocenter has the beautiful outdoors built right in. The central courtyard offers a relaxing atmosphere with its tropical landscaping, heated swimming pool, and whirlpool, health club with sauna and exercise equipment, tennis court, and an oasis setting of palms and flowers. Poolside service and outdoor dining by the patio fireplace underscore this image of resort life. And yet, this private paradise is within minutes of metropolitan activity.

Whether for business, pleasure or a weekend getaway, activities within walking distance are abundant. Nearby Metrocenter, the largest shopping mall in the state, offers more than 200 specialty shops and 5 department stores ( including Robinson May, Dillards, and Broadway Southwest), 37 restaurants, and 17 movie theaters.
